The property on which the Condominium Project is located is part of The Lagoons of West Bloomfield Drainage District, which is a private county drain established in accordance with the provisions of Section 423 of the Drain Code, Act No. 40 of the Michigan Public Acts of 1956, as amended (the "Drainage District"). The Drainage District was established pursuant to a certain Agreement of Establishment which was recorded in Liber 10937, pages 408 through 432, both inclusive, Oakland County Records. The Agreement of Establishment creates certain obligations on the part of the owners of the land located within the Drainage District to be assessed for various maintenance obligations, as required by the Oakland County Drain Commission. The Agreement of Establishment runs with the property. A copy of the Agreement is available to all Co-owners upon request."

**FIRST AMENDMENT TO EXHIBIT "A"
CONDOMINIUM BY-LAWS
THE LAGOONS OF WEST BLOOMFIELD CONDOMINIUM**

WHEREAS, Developer has deemed it to be in the best interest of the present and future Co-Owners of Units in THE LAGOONS OF WEST BLOOMFIELD CONDOMINIUM to propose amendments to the Condominium By-Laws OF THE LAGOONS OF WEST BLOOMFIELD CONDOMINIUM attached as Exhibit "A" to and recorded with the Master Deed of THE LAGOONS OF WEST BLOOMFIELD CONDOMINIUM at Liber 10540, Pages 231 through 248, both inclusive, Oakland County Records (the "Condominium By-Laws"); and

WHEREAS, the First Board of Directors has elected to adopt the proposed amendments as permitted under Article VIII, Section 4 of the Condominium By-laws, the designated time for the First Annual Meeting having not yet arrived;

NOW, THEREFORE, the Condominium By-Laws are hereby amended, as follows:

1. Section 8 of Article VI of the Condominium By-Laws is hereby amended in its entirety, as follows:

"Section 8. No house trailers, commercial vehicles, boat trailers, boats, camping vehicles, camping trailers, snowmobiles, snowmobile trailers, motorcycles or vehicles other than automobiles may be parked or stored upon the premises of the Condominium; provided, however, that a Co-Owner may store a recreational vehicle upon the Condominium Premises, so long as the recreational vehicle is stored within the Co-Owner's garage at all times, except such times as needed for loading and unloading of such recreational vehicle; and provided further, that a Co-Owner may store a motorcycle upon the Condominium Premises so long as the motorcycle is stored within the garage at all times and the Co-Owner either walks or transports the motorcycle from the entrance of the Condominium to such Co-Owner's garage, and at no time shall such Co-Owner be permitted to drive such motorcycle within the Condominium Premises. If a Co-Owner fails to comply with the restrictions set forth herein, the Association may revoke a Co-Owner's right to store a recreational vehicle and/or motorcycle within the Co-Owner's garage. Commercial vehicles and trucks shall not be parked in or about the Condominium (except as above provided) unless while making deliveries or pickups in the normal course of business. Each Co-Owner shall park his car(s) in the Co-Owner's garage, and shall park any additional car(s) only in the driveway specifically designated as a limited Common Element appurtenant to each Co-Owner's Unit. Co-Owners shall, if the Association shall require, register with the Association all cars, recreational vehicles and/or motorcycles which are kept on the Condominium Premises."

2. Section 5 of Article VI of the Condominium By-Laws is hereby amended in its entirety, as follows:

"Section 5.

A. No animal, including household pets, shall be kept without the prior written consent of the Board of Directors, which consent, if given, shall be revocable at any time by the Board for failure by pets or their owners to observe provisions of the By-Laws or Rules and Regulations of the Association pertaining to pets, including, but not limited to the Co-Owner's obligation to clean up after such pet within the Common Elements; provided, however, that each Co-Owner shall be permitted to keep one (1) dog or one (1) cat, not to exceed thirty-five (35) pounds, per Unit. If a Co-Owner owns a dog which exceeds thirty-five (35) pounds at the time of closing on the acquisition of his Unit, the Co-Owner shall be permitted to keep such dog in his unit only until such time as the dog is no longer kept as a pet

by the Co-Owner, whether due to the death of such dog or otherwise. The Board of Directors shall be permitted to revoke the Co-Owner's right to keep such dog if the Co-Owner fails to observe provisions of the By-Laws or Rules and Regulations of the Association pertaining to pets. Any pets permitted to be kept in the Condominium shall have such care and restraint as not to be obnoxious on account of noise, odor or unsanitary conditions. No savage or dangerous animal shall be kept. No animal may be permitted to run loose upon the Common Elements, and any animal shall at all times be kept on a leash and attended by some responsible person while on the Common Elements. Any person who causes or permits an animal to be brought or kept on the Condominium property shall indemnify and hold harmless the Association for any loss, damage or liability which the Association may sustain as a result of the presence of such animal on the Condominium property.

B. A Co-Owner may construct a dog-run behind his Unit so long as the Co-Owner first obtains the approval of the Board of Directors as to the size, construction plans and location of such dog run. The Co-Owner will be responsible for maintaining the dog run in accordance with the By-Laws and the Rules and Regulations of the Association. The Board of Directors may revoke its approval hereunder if a Co-Owner fails to maintain the dog run as required hereunder. To the extent a dog run is to be located on General Common Elements, the Co-Owner shall be deemed to have indemnified and held the Association harmless from any damages arising out of the dog run, including, but not limited to, any increase in insurance premiums to the Association due to the existence of the dog run, and/or costs incurred by the Association to maintain or remove such dog run."

3. In all respects, other than as hereinabove indicated, the Condominium By-Laws set forth in and recorded as Exhibit "A" to the Master Deed of THE LAGOONS OF WEST BLOOMFIELD CONDOMINIUM are hereby ratified, confirmed and redeclared, and remain in full force and effect.

The Original Master Deed was previously amended to expand the Condominium Project from 44 to 50 units by the recording of the First Amendment to Master Deed (the "First Amendment") on May 31, 1990 in Liber 11398, Pages 130 through 221, both inclusive, Oakland County Records.

ENT

Upon the recording of this Second Amendment to Master Deed (the "Second Amendment") in the office of the Oakland County Register of Deeds, the Original Master Deed and the Condominium Subdivision Plan attached to the Original Master Deed as Exhibit "B", all as heretofore amended by the First Amendment, shall be further amended to eliminate the Eliminated Property from the Future Development Area as defined in Article VI of the Original Master Deed; provided, however, that in the event of a default by WGV, Inc., a Michigan corporation (or its assigns), as the land contract vendee of the Eliminated Property, which default results in a foreclosure or forfeiture of said land contract, the Developer reserves the right to unilaterally amend the Master Deed of THE LAGOONS OF WEST BLOOMFIELD CONDOMINIUM to add the Eliminated Property back into the Future Development Area so long as such amendment is recorded on or before August 11, 1994. 9000559

2. Amended Sheets 1 and 11 of the Condominium Subdivision Plan of THE LAGOONS OF WEST BLOOMFIELD CONDOMINIUM (Exhibit "B" to the Master Deed), as attached hereto as Replat No. 2, shall replace and supersede Sheets 1 and 11 of the Condominium Subdivision Plan recorded with the First Amendment as Replat No. 1 of Oakland County Condominium Subdivision Plan No. 559, and the prior Sheets 1 and 11 shall be of no further force or effect. The legal description of the remaining Future Development Area is attached as Exhibit "A-2" and incorporated herein by reference.

3. In all respects, other than as hereinabove indicated, the Original Master Deed of THE LAGOONS OF WEST BLOOMFIELD CONDOMINIUM, as heretofore amended, including the Condominium Subdivision Plan respectively attached thereto as Exhibit "B", recorded as aforesaid, is hereby ratified, confirmed and redeclared.

2. It is intended that the units to be created on the Phase III Property by this Fourth Amendment shall be "site" condominium units, although the Association will continue to have the same responsibility for repair, maintenance and replacement of the "Limited Common Element Yard Areas" and the exteriors of all structures constructed within the boundaries of "Units" in the same manner as the Association is responsible for equivalent items with regard to units 1 through 74. Accordingly, the following sections of the Master Deed are either amended or added, as follows:

A. The following definitions shall be added as part of Article III of the Master Deed:

1. The definition of a "Unit" as set forth in Article III(L) of the Original Master Deed shall be amended in its entirety, as follows:

L. "Unit" or "Condominium Unit" shall have the same meaning as the term "Condominium Unit" is defined in the Act. For purposes of Units 1 through 74, the terms "Unit" or "Condominium Unit" shall also mean that portion of the Condominium Project designed and intended for separate ownership and use as described in Article V(A)(1) of the Master Deed and on Exhibit "B" hereto. With regard to Units 75 through 103, "Unit" or "Condominium Unit" shall also mean that portion of the Condominium Project designed and intended for separate ownership and use as described in Article V(A)(2) of the Master Deed and on Exhibit "B" hereto. All structures and improvements now or hereafter located within the boundaries of Units 75 through 103 shall be owned in their entirety by the Co-owner of the Unit within which they are located and shall not, unless otherwise expressly provided in the Condominium Documents, constitute Common Elements."

2. The definition of "Privacy Area" set forth in Article III(M) of the Original Master Deed shall be applicable only to Units 1 through 74.

 Sec. 125, Act 122, M.C.L. 207.12

3. The definition of "Limited Common Element Yard Area" shall be added as Article III(O), and shall be applicable only to Units 75 through 103, as follows:

O. "Limited Common Element Yard Area" shall mean the land surrounding each Unit and designated as such on Exhibit "B" hereto, which shall be subject to the exclusive use and enjoyment of the Co-owner of the Unit to which the Limited Common Element Yard Area is appurtenant, except to the extent otherwise provided herein."

B. In addition to the definition of the Common Elements set forth in Article IV of the Original Master Deed, the following Article IV-1 is added to the Master Deed and shall apply to Units 75 through 103, to be constructed on the Phase III Property.

"ARTICLE IV-1 (For Units 75 through 103)

COMMON ELEMENTS

The Common Elements to be located on the Phase III Property, as described in Exhibit "B" to this Master Deed for Units 75 through 103, and the respective responsibilities for maintenance, decoration, repair or replacements thereof are as follows:

A. The general Common Elements on the Phase III Property are:

1. The land (excluding the Units and the Limited Common Element Yard Areas) and beneficial easements, if any, described as the Phase III Property in this Master Deed, including roads, which are not designated as Limited Common Elements, and which have not been dedicated to Oakland County.

2. The electrical wiring network throughout the Phase III Property up to, but not including, the electrical meter for each residential structure erected within a Unit, to the extent not owned by the local utility company.

3. The telephone wiring network throughout the Phase III Property up to the point of connection with each residential structure erected within a Unit, to the extent not owned by the local utility company.

4. The gas line network throughout the Phase III Property up to the point where the service is stubbed for connection with each residential structure erected within a Unit, to the extent not owned by the local utility company.

5. The water distribution system throughout the Phase III Property up to the point where the service is stubbed for connection with each residential structure erected within a Unit, to the extent not owned by the appropriate governmental entity.

6. The sanitary sewer system throughout the Phase III Property up to the point where the service is stubbed for connection with each residential structure erected within a Unit, to the extent not owned by the appropriate governmental authority.

7. The storm drainage system throughout the Phase III Property.

8. The irrigation (sprinkler) systems throughout the Phase III Property.

9. Any site lighting such as street lighting (if any) located in front of each Unit within the Phase III Property and the related wiring, but excluding any lighting or related wiring or fixture within a Unit or upon a structure erected within a Unit.

10. All elements of the Project designated as general Common Elements in Exhibit "B" to this Master Deed.

11. Such other elements of the Project not otherwise designated as general or limited Common Elements within this Master Deed and/or which are not within the boundaries of a Unit and/or which are intended for common use or necessary to the existence, upkeep and safety of the Project. The definitions of general Common Elements contained in Article IV(A) of the Original Master Deed are incorporated herein by reference to the extent the same are not inconsistent with this Article IV-1(A).

B. The limited Common Elements on the Phase III Property are:

1. Each Limited Common Element Yard Area shall be subject to the exclusive use and enjoyment of the Co-owner of the Unit to which the Limited Common Element Yard Area is appurtenant, as shown on Exhibit "B", except as otherwise provided herein.

2. Any improvement constructed, planted or installed within a Limited Common Element Yard Area with the prior written approval of the Association as permitted herein (including, without limitation, driveways, walkways, decks, patios, swimming pools and landscaping) shall be subject to the exclusive use and enjoyment of the Co-owner of the Unit to which the Limited Common Element Yard Area is appurtenant.

3. The definitions of Limited Common Elements contained in Article IV(B) of the Original Master Deed are incorporated herein by reference to the extent the same are not inconsistent with this Article IV-1(B).

C. The Association will have the same responsibility for the maintenance, decoration, repair and replacement of the Common Elements and structures constructed within a Unit as currently provided in Article IV of the Master Deed for Units 1 through 74, including, without limitation, the irrigation (sprinkler) systems. Each Co-owner shall be responsible for maintenance,

decoration, repair and replacement of all other items contained with a Unit and the appurtenant Limited Common Element Yard Area. It is the Developer's intention that the rights and responsibilities of the Association and the Co-owners shall be uniform among all Units, notwithstanding that the limits of ownership and the definition of Common Elements are different between Units 1 through 74 and Units 75 through 103. In this regard, the Developer and the Association will have an easement to, through and over all of the Limited Common Element Yard Areas and the Units for the purpose of carrying out its responsibilities for maintenance, repair and replacement as set forth herein.

No Co-owner shall use his or her Unit or the Common Elements in any manner inconsistent with the purposes of the Project or in any manner which will interfere with or impair the rights of any other Co-owner in the use and enjoyment of his or her Unit or the Common Elements."

3. Article V(A) of the Original Master Deed is hereby amended in its entirety, as follows:

"(A)(1) With regard to Units 1 through 74, each Unit is described with reference to the Condominium Subdivision Plan of THE LAGOONS OF WEST BLOOMFIELD CONDOMINIUM as surveyed by GIFFELS-WEBSTER ENGINEERS, INC., professional engineers and surveyors, as attached hereto as Exhibit "B". Each of said Units shall include all that space contained within the interior finished unpainted walls and ceilings from the finished subfloor (including the enclosed garage), all as shown on the floor plans and sections in Exhibit "B" hereto and delineated with heavy outlines.

(A)(2) With regard to Units 75 through 103, to be constructed on the Phase III Property, each such Unit shall be described with reference to the portion of the Condominium Subdivision Plan of THE LAGOONS OF WEST BLOOMFIELD CONDOMINIUM as surveyed and prepared by PROGRESSIVE ENGINEERS, INC. (as to Phase III), attached hereto as Exhibit "B". Each Unit shall include all that space contained within the vertical and horizontal Unit boundaries shown in Exhibit "B" hereto and delineated with heavy outlines."

4. Article VII of the Master Deed is hereby amended to add the following subparagraphs:

"D. Easements for Maintenance, Repair and Replacement. With regard to the Phase III Property and Units 75 through 103, the Developer, the Association and all public or private utilities shall have such easements as may be necessary over the Condominium Premises, including all Common Elements, Limited Common Element Yard Areas and the Units (and all structures constructed therein), to fulfill any responsibilities of maintenance, repair, decoration or replacement which they or any of them are required or permitted to perform under the Condominium Documents. These easements include, but are not limited to, the right of the Association and its agents to enter upon Units and appurtenant Limited Common Element Yard

Areas for the purpose of maintaining, repairing and replacing the exterior of residences constructed within a Unit, cutting and maintaining lawns, maintaining landscaping, removing snow from walks, driveways and porches, maintaining and repairing the sprinkler systems, and for all any and all purposes which are consistent with the Developer's intent that the Association maintain, repair and replace the residences constructed within a Unit and the improvements located within a Unit or appurtenant Limited Common Element Yard Area in the same manner as the Association is responsible for such items with regard to Units 1 through 74.

E. Grant of Easements by Association. The Association, acting through its lawfully constituted Board of Directors, shall be empowered and obligated to grant such easements, licenses, rights-of-entry and rights-of-way over, under and across the Condominium Premises for utility purposes, access purposes or other lawful purposes as may be necessary, from time to time, for the benefit of the Condominium Project; subject, however, to the Developer's prior approval until all Units which may be created have been sold and conveyed by the Developer."

5. Notwithstanding that the limits of ownership of Units 75 through 103 are different than Units 1 through 74, the relative responsibilities of the Association and the Co-owners are equivalent among all Units in the Condominium Project. Therefore, the percentage of value assigned to each Unit in the Condominium Project, including any Unit located on the Phase III Property, shall continue to be equal.

6. Amended Sheets 1, 2, 3a, 4a, 11 and 24 of the Condominium Subdivision Plan of THE LAGOONS OF WEST BLOOMFIELD CONDOMINIUM (Exhibit "B" to the Master Deed), as attached hereto, shall replace and supersede Sheets 1, 2, 3a, 4a, 11 and 24 of the Original Subdivision Plan as originally recorded (or as previously amended), and the originally recorded Sheets 1, 2, 3a, 4a, 11 and 24 shall be of no further force or effect. Sheets 3b and 4b of the Condominium Subdivision Plan of THE LAGOONS OF WEST BLOOMFIELD CONDOMINIUM (Exhibit "B" to the Master Deed), as attached hereto, shall be added as additional sheets. The legal description of the Condominium Project contained on said Amended Sheet 2 shall replace and supersede the description of said Condominium Project contained in Article II of the Original Master Deed, as previously amended by the First, Second and Third Amendments.

7. Article IV, Section 1 of the Condominium By-Laws shall be amended to add the following as subparagraph (e):

"(e) Notwithstanding the fact that the limits of ownership of units 75 through 103 are different than units 1 through 74, the Association will be required to provide appropriate insurance so that the insurance coverage with regard to units 75 through 103 is equivalent to the insurance provided on units 1 through 74. For example, in addition to insuring the Common Elements of the Condominium as currently required under Section 1(b) of this Article IV, the Association will be required to carry fire and extended coverage, vandalism and malicious mischief insurance for all buildings, structures and improvements located within the boundaries of units 75 through 103 and the appurtenant Limited Common Element Yard Areas. Each Co-owner of

units 75 through 103 shall be required to obtain and maintain insurance for any of the Co-owner's personal property located or kept within his or her Unit, the appurtenant Limited Common Element Yard Area, or upon the Condominium Project, as well as for any improvements made within the residence constructed within a Unit at the expense of said Co-owner; provided that if the Association elects to include such improvements under its insurance coverage, any additional premium cost to the Association attributable thereto shall be assessed to and borne solely by said Co-owner and collected as a part of the assessments against said Co-owner under Article II hereof."

8. For purposes of Articles V and VI of the Condominium By-Laws, the term "Unit" shall also encompass any structure constructed within a Unit with regard to units 75 through 103.

9. Article VI of the Condominium By-Laws is further amended to add the following as Sections 18, 19, 20 and 21:

"Section 18. With regard to Units 75 through 103 to be constructed on the Phase III Property, no structure of any kind can be constructed outside the boundary of a Unit without the prior approval of the Association and, if required by local ordinance, West Bloomfield Township.

Section 19. With regard to units 75 through 103, no building, structure or other improvement shall be constructed within a Unit or an appurtenant Limited Common Element Yard Area, nor shall any exterior modification be made to any existing buildings, structures or improvements, unless plans and specifications therefor, containing such detail as the Developer may reasonably request, have first been approved in writing by the Developer, in its sole discretion, including, but not limited to the following:

(a) A topographic survey showing the existing and proposed grades, the location of all trees in excess of 4 inches in diameter, the proposed location of each building or structure and the proposed location of drives and parking areas;

(b) Construction and architectural plans including dimensioned floor plans, typical sections and all elevations;

(c) Specifications setting forth the type of quality of all materials and workmanship to be employed, including a detailed finish schedule for all exterior materials, products and finishes; and

(d) A detailed landscaping plan.

Construction of any building or other improvements must also receive any necessary approvals from the local building authority. Developer shall have the right to refuse to approve any such plans or specifications, or grading or landscaping plans, which are not suitable or desirable, in its sole opinion, for aesthetic or other reasons; and in passing upon such plans and specifications, it shall have the right to take into consideration the suitability of the proposed structure,

improvement and modification, the site upon which it is proposed to be constructed and the degree of harmony thereof with the Condominium as a whole. The purpose of this Section is to assure the continued maintenance of the Condominium as a beautiful and harmonious residential development, and shall be binding upon both the Association and all Co-owners. Developer's rights under this Article VI, Section 20 may, in Developer's discretion, be assigned to the Association or other successors to Developer. Developer may construct or authorize any improvements upon the Condominium Premises that it may, in its sole discretion, elect to make without the necessity of prior consent from the Association or any other person or entity.

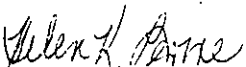

Section 20. Some of the land within the Condominium may be a wetland which is protected by federal, state or local law, or may be within the protected 35 foot wetland fringe area pursuant to applicable West Bloomfield Township ordinances. Under the provisions of the Goemaere-Anderson Wetland Protection Act, Public Act No. 203 of 1979 and/or West Bloomfield Township ordinances, any disturbance of a wetland (or the fringe area) by depositing materials in it, dredging or removing material from it, or draining water from the wetland may be done only after a permit has been obtained from the Department of Natural Resources (or its administrative successor) and/or West Bloomfield Township."

2. It is intended that the units to be created on the Phase IV Property by this Fifth Amendment shall be "site" condominium units, although the Association will continue to have the same responsibility for repair, maintenance and replacement of the "Limited Common Element Yard Areas" and the exteriors of all structures constructed within the boundaries of "Units" in the same manner as the Association is responsible for equivalent items with regard to units 1 through 74. Accordingly, the following sections of the Master Deed are amended as follows:

A. The following definitions included in Article III of the Master Deed, as previously amended, are amended or restated as follows:

1. The definition of a "Unit" as set forth in Article III(L) of the Original Master Deed shall be further amended in its entirety, as follows:

L. "Unit" or "Condominium Unit" shall have the same meaning as the term "Condominium Unit" is defined in the Act. For purposes of Units 1 through 74, the terms "Unit" or "Condominium Unit" shall also mean that portion of the Condominium Project designed and intended for separate ownership and use as described in Article V(A)(1) of the Master Deed and on Exhibit "E" hereto. With regard to Units 75 through 109, "Unit" or "Condominium Unit" shall also mean that portion of the Condominium Project designed and intended for separate ownership and use as described in Article V(A)(2) of the Master Deed and on Exhibit "B" hereto. All structures and improvements now or hereafter located within the boundaries of Units 75 through 109 shall be owned in their entirety by the Co-owner of the Unit within which they are located and shall not, unless otherwise expressly provided in the Condominium Documents, constitute Common Elements."

2. The definition of "Privacy Area" set forth in Article III(M) of the Original Master Deed shall be applicable only to Units 1 through 74.

3. The definition of "Limited Common Element Yard Area" shall be added as Article III(O), and shall be applicable only to Units 75 through 109, as follows:

O. "Limited Common Element Yard Area" shall mean the land surrounding each Unit and designated as such on Exhibit "B" hereto, which shall be subject to the exclusive use and enjoyment of the Co-owner of the Unit to which the Limited Common Element Yard Area is appurtenant, except to the extent otherwise provided herein."

B. Article IV-1, added to the Master Deed by the Fourth Amendment to further define the Common Elements, is hereby amended and restated to apply to Units 75 through 109 to be constructed on the Phases III and IV Property.

"ARTICLE IV-1 (For Units 75 through 109)

COMMON ELEMENTS

The Common Elements to be located on the Phases III and IV Property, as described in Exhibit "B" to this Master Deed for Units 75 through 109, and the respective responsibilities for maintenance, decoration, repair or replacements thereof are as follows:

A. The general Common Elements on the Phases III and IV Property are:

1. The land (excluding the Units and the Limited Common Element Yard Areas) and beneficial easements, if any, described as the Phases III and IV Property in this Master Deed, including roads, which are not designated as Limited Common Elements, and which have not been dedicated to Oakland County.

2. The electrical wiring network throughout the Phases III and IV Property up to, but not including, the electrical meter for each residential structure erected within a Unit, to the extent not owned by the local utility company.

3. The telephone wiring network throughout the Phases III and IV Property up to the point of connection with each residential structure erected within a Unit, to the extent not owned by the local utility company.

4. The gas line network throughout the Phases III and IV Property up to the point where the service is stubbed for connection with each residential structure erected within a Unit, to the extent not owned by the local utility company.

5. The water distribution system throughout the Phases III and IV Property up to the point where the service is stubbed for connection with each

residential structure erected within a Unit, to the extent not owned by the appropriate governmental entity.

6. The sanitary sewer system throughout the Phases III and IV Property up to the point where the service is stubbed for connection with each residential structure erected within a Unit, to the extent not owned by the appropriate governmental authority.

7. The storm drainage system throughout the Phases III and IV Property.

8. The irrigation (sprinkler) systems throughout the Phases III and IV Property.

9. Any site lighting such as street lighting (if any) located in front of each Unit within the Phases III and IV Property and the related wiring, but excluding any lighting or related wiring or fixture within a Unit or upon a structure erected within a Unit.

10. All elements of the Project designated as general Common Elements in Exhibit "B" to this Master Deed.

11. Such other elements of the Project not otherwise designated as general or limited Common Elements within this Master Deed and/or which are not within the boundaries of a Unit and/or which are intended for common use or necessary to the existence, upkeep and safety of the Project. The definitions of general Common Elements contained in Article IV(A) of the Original Master Deed are incorporated herein by reference to the extent the same are not inconsistent with this Article IV-1(A).

B. The limited Common Elements on the Phases III and IV Property are:

1. Each Limited Common Element Yard Area shall be subject to the exclusive use and enjoyment of the Co-owner of the Unit to which the Limited Common Element Yard Area is appurtenant, as shown on Exhibit "B", except as otherwise provided herein.

2. Any improvement constructed, planted or installed within a Limited Common Element Yard Area with the prior written approval of the Association as permitted herein (including, without limitation, drive-ways, walkways, decks, patios, swimming pools and landscaping) shall be subject to the exclusive use and enjoyment of the Co-owner of the Unit to which the Limited Common Element Yard Area is appurtenant.

3. The definitions of Limited Common Elements contained in Article IV(B) of the Original Master Deed are incorporated herein by reference to the extent the same are not inconsistent with this Article IV-1(B).

C. The Association will have the same responsibility for the maintenance, decoration, repair and replacement of the Common Elements and structures constructed within a Unit as currently provided in Article IV of the Master Deed for Units 1 through 74, including, without limitation, the irrigation (sprinkler) systems. Each Co-owner shall be responsible for maintenance, decoration, repair and replacement of all other items contained within a Unit and the appurtenant Limited Common Element Yard Area. It is the Developer's intention that the rights and responsibilities of the Association and the Co-owners shall be uniform among all Units, notwithstanding that the limits of ownership and the definition of Common Elements are different between Units 1 through 74 and Units 75 through 109. In this regard, the Developer and the Association will have an easement to, through and over all of the Limited Common Element Yard Areas and the Units for the purpose of carrying out its responsibilities for maintenance, repair and replacement as set forth herein.

No Co-owner shall use his or her Unit or the Common Elements in any manner inconsistent with the purposes of the Project or in any manner which will interfere with or impair the rights of any other Co-owner in the use and enjoyment of his or her Unit or the Common Elements."

3. Article V(A) of the Original Master Deed is hereby amended and restated in its entirety, as follows:

"(A)(1) With regard to Units 1 through 74, each Unit is described with reference to the Condominium Subdivision Plan of THE LAGOONS OF WEST BLOOMFIELD CONDOMINIUM as surveyed by GIFFELS-WEBSTER ENGINEERS, INC., professional engineers and surveyors, as attached hereto as Exhibit "B". Each of said Units shall include all that space contained within the interior finished unpainted walls and ceilings from the finished subfloor (including the enclosed garage), all as shown on the floor plans and sections in Exhibit "B" hereto and delineated with heavy outlines.

(A)(2) With regard to Units 75 through 109, to be constructed on the Phases III and IV Property, each such Unit shall be described with reference to the portion of the Condominium Subdivision Plan of THE LAGOONS OF WEST BLOOMFIELD CONDOMINIUM as surveyed and prepared by PROGRESSIVE ARCHITECTS ENGINEERS PLANNERS (as to Phases III and IV), attached hereto as Exhibit "B". Each Unit shall include all that space contained within the vertical and horizontal Unit boundaries shown in Exhibit "B" hereto and delineated with heavy outlines."

4. Subparagraphs D and E of Article VII of the Master Deed, added to that Article by the Fourth Amendment, are hereby amended and restated as follows.

"D. Easements for Maintenance, Repair and Replacement. With regard to the Phases III and IV Property and Units 75 through 109, the Developer, the Association and all public or private utilities shall have such easements as may be necessary over the Condominium Premises, including all Common Elements, Limited Common Element Yard Areas and the Units (and all structures constructed therein), to fulfill any responsibilities of maintenance, repair, decoration or replacement which they or any of them are required or permitted to perform under the Condominium Documents. These easements include, but are not limited to, the right of the Association and its agents to enter upon Units and appurtenant Limited Common Element Yard Areas for the purpose of maintaining, repairing and replacing the exterior of residences constructed within a Unit, cutting and maintaining lawns, maintaining landscaping, removing snow from walks, driveways and porches, maintaining and repairing the sprinkler systems, and for any and all purposes which are consistent with the Developer's intent that the Association maintain, repair and replace the residences constructed within a Unit and the improvements located within a Unit or appurtenant Limited Common Element Yard Area in the same manner as the Association is responsible for such items with regard to Units 1 through 74.

E. Grant of Easements by Association. The Association, acting through its lawfully constituted Board of Directors, shall be empowered and obligated to grant such easements, licenses, rights-of-entry and rights-of-way over, under and across the Condominium Premises for utility purposes, access purposes or other lawful purposes as may be necessary, from time to time, for the benefit of the Condominium Project; subject, however, to the Developer's prior approval until all Units which may be created have been sold and conveyed by the Developer."

5. Notwithstanding that the limits of ownership of Units 75 through 109 are different than Units 1 through 74, the relative responsibilities of the Association and the Co-owners are equivalent among all Units in the Condominium Project. Therefore, the percentage of value assigned to each Unit in the Condominium Project, including any Unit located on the Phases III and IV Property, shall continue to be equal.

6. Amended Sheets 1, 2, and 11 of the Condominium Subdivision Plan of THE LAGOONS OF WEST BLOOMFIELD CONDOMINIUM (Exhibit "B" to the Master Deed), as attached hereto, shall replace and supersede Sheets 1, 2, and 11 of the Original Subdivision Plan as originally recorded (or as previously amended), and the originally recorded Sheets 1, 2, and 11 shall be of no further force or effect. Sheets 3c and 4c of the Condominium Subdivision Plan of THE LAGOONS OF WEST BLOOMFIELD CONDOMINIUM (Exhibit "B" to the Master Deed), as attached hereto, shall be added as additional sheets. The legal description of the Condominium Project contained on said

Amended Sheet 2 shall replace and supersede the description of said Condominium Project contained in Article II of the Original Master Deed, as previously amended by the First, Second, Third and Fourth Amendments.

7. Subparagraph (e), added to Article IV, Section 1 of the Condominium By-Laws by the Fourth Amendment, is hereby amended and restated as follows:

"(e) Notwithstanding the fact that the limits of ownership of units 75 through 109 are different than units 1 through 74, the Association will be required to provide appropriate insurance so that the insurance coverage with regard to units 75 through 109 is equivalent to the insurance provided on units 1 through 74. For example, in addition to insuring the Common Elements of the Condominium as currently required under Section 1(b) of this Article IV, the Association will be required to carry fire and extended coverage, vandalism and malicious mischief insurance for all buildings, structures and improvements located within the boundaries of units 75 through 109 and the appurtenant Limited Common Element Yard Areas. Each Co-owner of units 75 through 109 shall be required to obtain and maintain insurance for any of the Co-owner's personal property located or kept within his or her Unit, the appurtenant Limited Common Element Yard Area, or upon the Condominium Project, as well as for any improvements made within the residence constructed within a Unit at the expense of said Co-owner; provided that if the Association elects to include such improvements under its insurance coverage, any additional premium cost to the Association attributable thereto shall be assessed to and borne solely by said Co-owner and collected as a part of the assessments against said Co-owner under Article II hereof."

8. For purposes of Articles V and VI of the Condominium By-Laws, the term "Unit" shall also encompass any structure constructed within a Unit with regard to units 75 through 109.

9. Sections 18, 19, 20 and 21, added to Article VI of the Condominium By-Laws by the Fourth Amendment, are hereby amended, renumbered (to correct the misnumbering of the last two Sections in the Fourth Amendment) and restated as follows:

Section 18. With regard to Units 75 through 109 to be constructed on the Phases III and IV Property, no structure of any kind can be constructed outside the boundary of a Unit without the prior approval of the Association and, if required by local ordinance, West Bloomfield Township.

Section 19. With regard to units 75 through 109, no building, structure or other improvement shall be constructed within a Unit or an appurtenant Limited Common Element Yard Area, nor shall any exterior modification be made to any existing buildings, structures or improvements, unless plans and specifications therefor, containing such detail as the Developer may reasonably request, have first

been approved in writing by the Developer, in its sole discretion, including, but not limited to the following:

(a) A topographic survey showing the existing and proposed grades, the location of all trees in excess of 4 inches in diameter, the proposed location of each building or structure and the proposed location of drives and parking areas;

(b) Construction and architectural plans including dimensioned floor plans, typical sections and all elevations;

(c) Specifications setting forth the type of quality of all materials and workmanship to be employed, including a detailed finish schedule for all exterior materials, products and finishes; and

(d) A detailed landscaping plan.

Section 20. Construction of any building or other improvements must also receive any necessary approvals from the local building authority. Developer shall have the right to refuse to approve any such plans or specifications, or grading or landscaping plans, which are not suitable or desirable, in its sole opinion, for aesthetic or other reasons; and in passing upon such plans and specifications, it shall have the right to take into consideration the suitability of the proposed structure, improvement and modification, the site upon which it is proposed to be constructed and the degree of harmony thereof with the Condominium as a whole. The purpose of this Section is to assure the continued maintenance of the Condominium as a beautiful and harmonious residential development, and shall be binding upon both the Association and all Co-owners. Developer's rights under this Article VI, Section 20 may, in Developer's discretion, be assigned to the Association or other successors to Developer. Developer may construct or authorize any improvements upon the Condominium Premises that it may, in its sole discretion, elect to make without the necessity of prior consent from the Association or any other person or entity.

Section 21. Some of the land within the Condominium may be a wetland which is protected by federal, state or local law, or may be within the protected 35 foot wetland fringe area pursuant to applicable West Bloomfield Township ordinances. Under the provisions of the Goemaere-Anderson Wetland Protection Act, Public Act No. 203 of 1979 and/or West Bloomfield Township ordinances, any disturbance of a wetland (or the fringe area) by depositing materials in it, dredging or removing material from it, or draining water from the wetland may be done only after a permit has been obtained from the Department of Natural Resources (or its administrative successor) and/or West Bloomfield Township."

10. In all other respects, other than hereinabove indicated, the Original Master Deed, as heretofore amended by the First, Second, Third and Fourth Amendments, including the By-Laws and Condominium Subdivision Plan respectively attached thereto as Exhibits "A" and "B", recorded as aforesaid, are hereby ratified, confirmed and declared.

AMENDED AND RESTATED CONDOMINIUM BYLAWS

(EXHIBIT "A" TO THE MASTER DEED)

ARTICLE I

ASSOCIATION OF CO-OWNERS

Section 1. Association; Bylaws. Lagoons of West Bloomfield Condominium, a residential Condominium located in the Township of West Bloomfield, County of Oakland, State of Michigan, shall be administered by an Association of Co-owners which shall be a nonprofit corporation, hereinafter called the "Association", organized under the applicable laws of the State of Michigan, and responsible for the management, maintenance, operation and administration of the Common Elements, easements and affairs of the Condominium in accordance with the Master Deed, these Bylaws, the Articles of Incorporation, the duly adopted rules and regulations of the Association, and the laws of the State of Michigan. These Bylaws shall constitute the Bylaws referred to in the Master Deed and required by Section 3 (8) of Act No. 59 of the Michigan Public Acts of 1978, as amended (hereinafter the "Act") and the Michigan Nonprofit Corporation Act.

Section 2. Membership; Access to Condominium Documents. Each Co-owner shall be a member of the Association and no other person or entity shall be entitled to membership. The share of a Co-owner in the funds and assets of the Association cannot be assigned, pledged or transferred in any manner except as an appurtenance to the Co-owner's Unit in the Condominium.

The Board of Directors shall keep current copies of the Master Deed, all amendments to the Master Deed and other Condominium Documents for the Condominium available at reasonable hours to Co-owners, their mortgagees, prospective purchasers and prospective mortgagees of Units in the Condominium. All Co-owners in the Condominium and all persons using or entering upon or acquiring any interest in any Unit therein or the Common Elements thereof shall be subject to the provisions and terms set forth in the aforesaid Condominium Documents.

ASSESSMENTS

All expenses arising from the management, administration and operation of the Association pursuant to the Condominium Documents and the Act, shall be levied by the Association against the Units and the Co-owners thereof in accordance with the following provisions:

Section 1. Assessments for Common Elements. All costs incurred by the Association in satisfaction of any liability arising within, caused by, or connected with the Common Elements or the administration of the Condominium shall constitute expenditures affecting the administration of the Condominium, and all sums received as the proceeds of, or pursuant to a policy of insurance securing the interest of the Co-owners against liabilities or losses arising within, caused by, or connected with the Common Elements or the administration of the Condominium shall constitute receipts affecting the administration of the Condominium, within the meaning of Section 54(4) of the Act.

Section 2. Determination of Assessments. Assessments shall be determined in accordance with the following provisions:

(a) **Budget; Additional Assessments.** The Board of Directors of the Association shall establish an annual budget in advance for each fiscal year and such budget shall project all expenses for the forthcoming year which may be required for the proper operation, management and maintenance of the Condominium, including a reasonable allowance for contingencies and reserves. Failure or delay of the Board of Directors to prepare or adopt a budget for any fiscal year shall not constitute a waiver or release in any manner of a Co-owner's obligation to pay the allocable share of the common expenses as herein provided whenever the same shall be determined and, in the absence of any annual budget or adjusted budget each Co-owner shall continue to pay each monthly installment at the monthly rate established for the previous fiscal year until notified of the monthly payment which is due not more than ten (10) days after such new annual or adjusted budget is adopted.

An adequate reserve fund for maintenance, repairs and replacement of those Common Elements that must be replaced on a periodic basis shall be established in the budget and must be funded by regular payments as set forth in Section 3 below rather than by additional or lump sum assessments. At a minimum, the reserve fund shall be equal to ten (10%) percent of the Association's current annual budget on a non-cumulative basis. Since the minimum standard required by this Section may prove to be inadequate for this particular Condominium, the Association of Co-owners should carefully analyze the Condominium to determine if a greater amount should be set aside, or if additional reserve funds should be established for other purposes from time to time. The funds contained in such reserve fund should be used for major repairs and replacements of Common Elements. A Co-owner selling a Unit shall not be entitled to any refund whatsoever from the Association with respect to any reserve or other asset of the Association.

Upon adoption of an annual budget by the Board of Directors, copies of said budget shall be delivered to each Co-owner and the assessment for said year shall be established based upon said budget, although the failure to deliver a copy of the budget to each Co-owner shall not affect the liability of any Co-owner for any existing or future assessments.

If the Board of Directors at any time determines, in its sole discretion that the assessments levied are or may prove to be insufficient:

(1) to pay the costs of operation, management, maintenance, insurance and repair of the Condominium;

(2) to provide replacements of existing Common Elements;

(3) to provide additions to the Common Elements not exceeding Five Thousand Dollars (\$5,000.00), in the aggregate, annually, or

(4) in the event of emergencies,

the Board of Directors shall have the authority to increase the general assessment or to levy such additional or special assessment or assessments without Co-owner approval as it shall deem to be necessary.

The Board of Directors shall also have the authority, without Co-owner consent, to levy assessments pursuant to the provisions of Article V, Section 5 hereof. The authority to levy assessments pursuant to this subsection is solely for the benefit of the Association and the members thereof and shall not be enforceable by any creditors of the Association or the members thereof except in the event that the Association may voluntarily and conditionally assign the right to levy assessments to any lender in connection with any voluntary loan transaction entered into by the Association.

(b) **Special Assessments.** Special assessments, other than additional assessments referenced in subsection (a) of this Section 2, may be made by the Board of Directors from time to time and approved by the Co-owners as hereinafter provided to meet other needs or requirements of the Association, including, but not limited to:

(1) assessments for additions to (and not repair or replacement of) the Common Elements of an aggregate cost exceeding Five Thousand Dollars (\$5,000.00) per year;

(2) assessments to purchase a Unit upon foreclosure of the lien for assessments described in Section 5 hereof;

(3) assessments for any other appropriate purpose not elsewhere herein described.

Special assessments referred to in this subsection (but not including those assessments referred to in subsection 2(a) above which may be levied in the sole discretion of the Board of Directors) shall not be levied without the prior approval of more than fifty one (51%) percent of all eligible Co-owners. The authority to levy assessments pursuant to this subsection is solely for the benefit of the Association and the members thereof and shall not be enforceable by any creditors of the Association or the members thereof except in the event that the Association may voluntarily and conditionally assign the right to levy assessments to any lender in connection with any voluntary loan transaction entered into by the Association.

Section 3. Apportionment of Assessments; Default in Payment. Unless otherwise provided herein, all assessments levied against the Co-owners to cover expenses of administration shall be apportioned among and paid by the Co-owners equally, without increase or decrease for the existence of any rights to the use of Limited Common Elements appurtenant to a Unit.

Annual assessments as determined in accordance with Article II, Section 2(a) above (but not additional or special assessments which shall be payable as the Board of Directors elects) shall be payable by the Co-owners in twelve (12) equal monthly installments, commencing with acceptance of a Deed to, or a land contract purchaser's interest in, a Unit, or with the acquisition of fee simple title to a Unit by any

0770 8839
other means. Monthly installments of the annual assessment are due on the first day of each month. The payment of an assessment shall be in default if such assessment, or any part thereof, is not paid to the Association in full on or before the due date for such payment. A late charge shall be assessed for any assessment in default more than ten (10) days after its due date. The late charge shall be in the amount of Thirty Dollars (\$30.00) or such other amount as may be determined by the Board of Directors from time to time. In the event the board establishes a new late charge amount, it shall give written notice to all members thirty (30) days before the new late charge rate shall become applicable. Such late charge shall not be deemed to be a penalty or interest upon the funds due to the Association but is intended to constitute a reasonable estimate of the administrative costs and other damages incurred by the Association in connection with the late payment of assessments. Assessments in default shall bear interest at the rate of seven (7%) percent per annum or such higher rate as may be allowed by law until paid in full. All payments shall be applied first against late charges, attorney fees, interest and costs and thereafter against assessments in order of oldest delinquency.

Each Co-owner (whether one or more persons) shall be and remain personally liable for the payment of all assessments (including late charges and costs of collection and enforcement of payment) pertinent to the Co-owner's Unit which may be levied while such Co-owner is the owner thereof. In the event that there is a land contract transaction involving a Unit, the seller and the purchaser shall both be personally liable for the payment of all assessments (including late charges and costs of collection and enforcement of payment) pertinent to the subject Condominium Unit which are levied up to and including the date upon which the land contract seller actually takes possession of the Unit following extinguishment of all rights of the land contract purchaser in the Unit.

Section 4. Waiver of Use or Abandonment of Unit; Uncompleted Repair Work. No Co-owner may exempt himself or herself from liability for contribution toward the expenses of administration by waiver of the use or enjoyment of any of the Common Elements, or by the abandonment of the Co-owner's Unit, or because of uncompleted repair work, or the failure of the Association to provide service.

Section 5. Enforcement. The Association may enforce collection of delinquent assessments by a suit at law for a money judgment or by foreclosure of the statutory lien that secures payment of assessments, or both in accordance with the Act. Pursuant to Section 139 of the Act, no Co-owner may assert in an answer or set-off to a complaint brought by the Association for nonpayment of assessments the fact that the Association or its agents have not provided the services or management to the Co-owner.

Each Co-owner, and every other person who from time to time has any interest in the Condominium, shall be deemed to have granted to the Association the unqualified right to elect to foreclose such lien either by judicial action or by advertisement. The provisions of Michigan law pertaining to foreclosure of mortgages by judicial action and by advertisement, as the same may be amended from time to time, are incorporated herein by reference for the purpose of establishing the alternative procedures to be followed in lien foreclosure actions and the rights and obligations of the parties to such actions. Further, each Co-owner and every other person who from time to time has any interest in the Condominium, shall be deemed to have authorized and empowered the Association to sell or to cause the Unit to be sold with respect to which the assessment(s), is or are delinquent and to receive, hold and distribute the proceeds of such sale in accordance with the priorities established by applicable law. Each Co-owner of a Unit in the Condominium acknowledges that at the time of acquiring title to such Unit, the Co-owner was notified of the provisions of this Section and that the Co-owner voluntarily, intelligently and knowingly waived notice of any proceedings brought by the Association to foreclose by advertisement the lien for nonpayment of assessments and a hearing on the same prior to the sale of the subject Unit. The Association, acting on behalf of all Co-owners, may bid in at the foreclosure sale, and acquire, hold, lease, mortgage or convey the Condominium Unit.

10581-0770 PG 840

Notwithstanding the foregoing, a judicial foreclosure action shall not be commenced, nor shall any notice of foreclosure by advertisement be published, until the expiration of ten (10) days after mailing, by first class mail, postage prepaid, addressed to the delinquent Co-owner(s) at his/her or their last known address of a written notice that one or more installments of the annual assessment and/or a portion or all of an additional and/or a special assessment levied against the pertinent Unit is or are delinquent and that the Association may invoke any of its remedies hereunder if the default is not cured within ten (10) days after the date of mailing. Such written notice shall be accompanied by or in the form of a written Affidavit of an authorized representative of the Association that sets forth (i) the Affiant's capacity to make the Affidavit, (ii) the statutory and other authority for the lien, (iii) the amount outstanding (exclusive of interest, costs, attorney fees and future assessments), (iv) the legal description of the subject Unit(s), and (v) the name(s) of the Co-owner(s) of record. The Affidavit may contain other information that the Association of Co-owners considers appropriate as per the Michigan Condominium Act including but not limited to the amount of any unpaid interest, costs, attorney fees, future assessments, court costs and/or unpaid monetary fines. Such Affidavit shall be recorded in the office of the Oakland County Register of Deeds prior to commencement of any foreclosure proceeding, but it need not have been recorded as of the date of mailing to the Co-owner. If the delinquency is not cured within the ten (10) day period, the Association may take such remedial action as may be available to it hereunder or under Michigan law. In the event the Association elects to foreclose the lien by advertisement, the Association shall so notify the Co-owner and shall inform the Co-owner that he/she may request a judicial hearing by bringing suit against the Association.

The expenses incurred in collecting unpaid assessments, including interest, costs, actual attorney's fees (not limited to statutory fees), late charges, unpaid monetary fines and advances for taxes or other liens paid by the Association to protect its lien, shall be chargeable to the Co-owner in default including late charges and unpaid monetary fines, if any, and shall be secured by the lien on the Co-owner's Unit. In the event of default by any Co-owner in the payment of any installment of the annual assessment levied against the Co-owner's Unit, and/or in the event of default by any Co-owner in the payment of any installment and/or portion of any additional or special assessment levied against the Co-owner's Unit, or any other obligation of a Co-owner which, according to these Bylaws, may be assessed to and collected from the responsible Co-owner in the manner provided in Article II hereof, the Association shall have the right to declare all unpaid installments of the annual assessment for the applicable fiscal year (and for any future fiscal year in which said delinquency continues) and/or all unpaid portions or installments of the additional or special assessment, if applicable, immediately due and payable. The Association also may discontinue the furnishing of any utility or other services to a Co-owner in default upon seven (7) days written notice to such Co-owner of its intention to do so. A Co-owner in default shall not be entitled to utilize any of the General Common Elements of the Condominium, shall not be entitled to vote at any meeting of the Association, and shall not be entitled to run for election as a director or be appointed an officer of the Association so long as such default continues; provided, however, this provision shall not operate to deprive any Co-owner of ingress or egress to and from the Co-owner's Unit. In a judicial foreclosure action, a receiver may be appointed to collect a reasonable rental for the Unit from the Co-owner thereof or any person claiming under such Co-owner as provided by the Act.

Section 6. Liability of Mortgagee. Notwithstanding any other provisions of the Condominium Documents, the holder of any first mortgage covering any Unit in the Condominium which acquires title to the Unit pursuant to the remedies provided in the mortgage and any purchaser at a foreclosure sale in regard to said first mortgage, shall take the property free of any claims for unpaid assessments or charges against the mortgaged Unit which accrue prior to the acquisition of title by such holder, purchaser or assignee (except for claims for a pro rata share of such assessments or charges resulting from a pro rata reallocation of such assessments or charges to all Units including the mortgaged Unit). If title is acquired via deed in lieu of foreclosure, the grantee under such deed shall be fully liable to the Association for all amounts owed on the unit.

Section 7. Property Taxes and Special Assessments. All property taxes and special assessments levied by any public taxing authority shall be assessed in accordance with Section 131 of the Act.

Section 8. Personal Property Tax Assessment of Association Property. The Association shall be assessed as the person or entity in possession of any tangible personal property of the Condominium owned or possessed in common by the Co-owners, and personal property taxes based thereon shall be treated as expenses of administration.

Section 9. Construction Lien. A construction lien (mechanic's lien) otherwise arising under Act No. 497 of the Michigan Public Acts of 1980, as amended, shall be subject to the limitations set forth in Section 132 of the Act, including the following:

- (a) A mechanic's lien for work performed upon a Condominium Unit or upon a Limited Common Element may attach only to the Condominium Unit upon which the work was performed.
- (b) A mechanic's lien for work authorized by the Association of Co-owners may attach to each Condominium Unit only to the proportionate extent that the Co-owner of the Condominium Unit is required to contribute to the expenses of administration as provided by the Condominium Documents.
- (c) A mechanic's lien may not arise or attach to a Condominium Unit for work performed on the Common Elements not contracted by the Association of Co-owners.

Section 10. Statement as to Unpaid Assessments. Pursuant to the provisions of the Act, the purchaser of any Unit may request a statement from the Association as to the outstanding amount of any unpaid Association assessments, interest, late charges, fines, costs and attorney fees thereon and related collection costs. Upon written request to the Association, accompanied by a copy of the executed purchase agreement pursuant to which the purchaser holds the right to acquire the Unit, the Association shall provide a written statement of such unpaid assessments and related collection costs as may exist or a statement that none exist, which statement shall be binding upon the Association for the period stated therein. Upon the payment of that sum within the period stated, the Association's lien for assessments as to such Unit shall be deemed satisfied; provided, however, that the failure of a purchaser to request such statement at least five (5) days prior to the closing of the purchase of such Unit shall render any unpaid assessments together with interest, costs, and attorneys' fees incurred in the collection thereof, and the lien securing same fully enforceable against such purchaser and the Unit itself, to the extent provided by the Act. Under the Act, unpaid assessments constitute a lien upon the Unit and the proceeds of sale thereof prior to all claims except tax liens on the Condominium Unit in favor of any state or federal taxing authority and first mortgages of record. The Association may charge such reasonable amounts for preparation of such a statement as it may from time to time determine.

ARTICLE III

ARBITRATION

Section 1. Scope and Election. Disputes, claims or grievances arising out of or relating to the interpretation or the application of the Condominium Documents, or any disputes, claims or grievances arising among or between Co-owners, or between a Co-owner or Co-owners and the Association shall, upon the election and written consent of both of the parties to any such disputes, claims or grievances, and written notice to the Association, if applicable, be submitted to arbitration and the parties thereto shall accept the arbitrators' decision as final and binding; provided that no question affecting the claim of title of any person to any fee or life estate in real estate is involved. The Commercial Arbitration Rules of the American Arbitration Association as amended and in effect from time to time hereafter shall be applicable to any such arbitration. Any agreement to arbitrate pursuant to the provisions of this Article III, Section 1 shall include an agreement between the

parties that the judgment of any Circuit Court of the State of Michigan may be rendered upon any award rendered pursuant to such arbitration.

Section 2. Judicial Relief. In the absence of the election and written consent of the parties pursuant to Section I above, no Co-owner or the Association shall be precluded from petitioning the Courts to resolve any such disputes, claims or grievances.

Section 3. Election of Remedies. Election by the parties to submit such disputes, claims or grievances to arbitration shall preclude them from litigating such disputes, claims or grievances in the Courts.

ARTICLE IV

INSURANCE

Section 1. Basic Insurance Responsibilities of the Association. The Association shall carry property insurance, general liability insurance, officers and directors liability insurance, workers compensation insurance, if applicable, and such other insurance as the Board may determine to be appropriate with respect to the ownership, use and maintenance of the General and Limited Common Elements of the Condominium and the administration of Condominium affairs. Such insurance shall be carried and administered in accordance with the following provisions:

(a) **Insurance Responsibilities of the Association and the Co-owners.** It shall be each Co-owner's responsibility to determine by personal investigation the nature and extent of insurance coverage needed to protect his/her Unit, his/her personal property located within his/her Unit or elsewhere in the Condominium and for his/her personal liability for occurrences within his/her Unit or upon the Limited Common Elements appurtenant to his/her Unit and also for additional living expenses. Each Co-owner may obtain insurance coverage at his/her own expense upon the building items within his/her Condominium Unit which were furnished with the Unit by the Developer however it will be considered to be excess insurance since the Association's property insurance will be primary coverage as described below. The Association shall purchase insurance for the benefit of the Association, the Co-owners and their mortgagees, as their interests may appear, and provision shall be made for the issuance of Certificates of Insurance with mortgagee endorsements to the mortgagees of the Co-owners. Each Co-owner and the Association shall use their best efforts to obtain insurance whereby the insurers waive their rights of subrogation as to any claims against any Co-owner and the Association.

(b) **Insurance of Common Elements and Some Improvements.** All Common Elements of the Condominium shall be insured against fire, perils covered by a standard extended coverage endorsement, vandalism, malicious mischief and any other cause of loss deemed advisable by the Board of Directors of the Association, in an amount equal to the maximum insurable replacement value, including code reconstruction, if applicable, as determined annually by the Board of Directors of the Association in consultation with the Association's insurance carrier and/or its representatives in light of commonly employed methods for the reasonable determination of replacement costs. Such coverage shall include interior walls within any Unit and the pipes, wires, conduits and ducts contained therein and shall further include all building items including fixtures, equipment and trim within a Unit which were furnished with the Unit by the Developer. Each Co-owner shall be solely responsible to insure all betterments, improvements, and additions to their Unit and its appurtenant Limited Common Elements. The property insurance coverage shall be written on a Blanket Amount basis including an Agreed Value clause for the entire Condominium with appropriate provisions in order that no coinsurance provisions shall be invoked by the insurance carrier in a manner that will cause loss payments to be reduced below the actual amount of any loss (except in the unlikely event of total project destruction and the insurance proceeds failed, for some reason, to be equal to the total cost of replacement). All information in the Association's records regarding insurance coverage shall be made

1584 0770 PG 843
available to all Co-owners upon request and reasonable notice during normal business hours so that the Co-owners shall be enabled to judge the adequacy of such coverage. Upon re-evaluation and effectuation of coverage, the Association shall notify all the Co-owners of the nature and extent of all changes in coverages.

(c) **General Liability Insurance.** General liability insurance shall be carried in such limits as the Board of Directors may from time to time determine to be appropriate. The general liability insurance shall cover: (1) the Association; (2) each Co-owner of the Condominium but only with respect to his/her liability arising out of the ownership, maintenance or repair of that portion of the premises which is their duty as such; and (3) any person or organization while acting as a managing agent for the Association. The liability insurance carried by the Association shall, where appropriate, contain cross-liability endorsements to cover liability of the Co-owners as a group to another Co-owner.

(d) **Officers and Directors Liability Insurance.** Officers and directors liability insurance shall be carried in such limits as the Board of Directors may from time to time determine to be appropriate. The liability insurance shall cover any persons who now are, or shall become duly elected or appointed directors or officers of the Association. The policy may also have to be endorsed to include "prior acts" coverage for persons who had been duly elected or appointed directors or officers of the Association if it is determined that previous expiring policies do not cover claims for wrongful acts reported after the expiration or termination date of those expiring policies.

(e) **Premium Expense.** All premiums upon insurance purchased by the Association pursuant to these Bylaws shall be expenses of the Association.

(f) **Proceeds of Insurance Policies.** Proceeds of all insurance policies owned by the Association shall be received by the Association, separately accounted for, and distributed to the Association, the Co-owners and their mortgagees as their interests may appear; provided, however, whenever Article V of these Bylaws requires the repair or reconstruction of the Condominium, any insurance proceeds received by the Association as a result of any loss requiring repair or reconstruction shall be applied for such purpose. Hazard insurance proceeds shall never be used for any purpose other than for repair, replacement or reconstruction of the project unless all of the holders of mortgages on Units, and all Co-owners, in the Condominium have given their prior written approval. Deductible expenses under the Association policies shall be allocated prorata as between common element and non-common element repair expenses and in the event of damage to more than one Unit.

Section 2. Authority of Association to Settle Insurance Claims. Each Co-owner by ownership of a Unit in the Condominium shall be deemed to appoint the Association as the true and lawful attorney-in-fact to act in connection with all matters concerning insurance pertinent to the Condominium, the Unit and the Common Elements appurtenant thereto. Without limitation on the generality of the foregoing, the Association as said attorney shall have full power and authority to purchase and maintain such insurance, distribute the same to the Association, the Co-owners and respective mortgagees, as their interests may appear (subject always to the Condominium Documents), to execute releases of liability and to execute all documents and to do all things on behalf of such Co-owners and the Condominium as shall be necessary or convenient to accomplish the foregoing.

ARTICLE V

MAINTENANCE, REPAIR & RECONSTRUCTION

Section 1. Responsibility for Reconstruction or Repair. In the event any part of the Condominium property shall be damaged, the determination of whether or not it shall be reconstructed or repaired shall be made in the following manner:

(a) **One or More Units Tenantable.** In the event the damaged property is a Common Element or a Unit, the property shall be rebuilt or repaired if any Unit in the Condominium is tenantable, unless it is determined by unanimous vote of all of the Co-owners in the Condominium that the Condominium shall be terminated and each institutional holder of a first mortgage lien on any Unit in the Condominium has given its prior written approval for such termination.

(b) **No Unit Tenantable.** In the event the Condominium is so damaged that no Unit is tenantable, the damaged property shall not be rebuilt and the Condominium shall be terminated, unless seventy-five (75%) percent or more of all the eligible Co-owners agree to reconstruction by vote or in writing within ninety (90) days after the destruction.

Section 2. Repair and Reconstruction in Accordance with Master Deed, Etc. Any such reconstruction or repair shall be substantially in accordance with the Master Deed and the plans and specifications for the Condominium to a condition as comparable as possible to the condition existing prior to damage unless sixty six and two thirds percent (66 2/3rds) of the eligible Co-owners shall consent to do otherwise.

Section 3. Co-owner and Association Responsibilities. In the event the damage is only to a part of a Unit which is the responsibility of a Co-owner to maintain and repair, it shall be the responsibility of the Co-owner to repair such damage in accordance with Section 4 hereof. In other cases, the responsibility for reconstruction and repair shall be that of the Association subject to the terms and conditions of the Master Deed.

Section 4. Co-owner Responsibility for Repair. Each Co-owner shall be responsible for the reconstruction, repair, maintenance, replacement and decoration of the interior of the Co-owner's Unit, including all finished flooring and floor coverings, all interior walls, wall coverings, interior trim and, including without limitation, the following items:

(a) All appliances within the Unit and supporting hardware, including, but not limited to, furnace, humidifier, air cleaner, air conditioner, compressor, garbage disposal, dishwasher, range, oven, vent fan, duct work, filter, water softeners, water filters and water heaters, if any.

(b) All entry doors, storm doors, closers and all related locks and hardware and their deadbolts, locking mechanism, handles and knobs on both sides of such doors, all interior doors and related hardware within the individual Unit. The Association shall paint the exteriors of entry doors.

(c) All electrical fixtures and appliances within the individual Unit, including, but not limited to, cable television, doorbell and intercom systems (all components inside and out of Unit), lighting fixtures, switches, outlets, smoke/heat/fire alarms/detectors, security systems, antenna outlets and circuit breakers.

(d) All plumbing fixtures including commodes, tubs, shower pans, shower stalls, shower enclosures, tub and shower caulking, faucets, shut-off valves, rings, seals and washers.

(e) All cabinets, counters, sinks, tile and wood, either floor or wall, window grilles and related hardware.

(f) All improvements and decorations including, but not limited to, paint, wallpaper, paneling, Unit carpeting, linoleum and trim.

(g) Individual Unit drain lines located within the Unit perimeter walls (foundation); however, in the event a drain line services more than one Unit, the Association will be responsible for its reconstruction, repair, maintenance and replacement.

(h) All other items not specifically enumerated above which may be located within the individual Unit's perimeter walls.

(i) All Co-owner additions, betterments, improvements and alterations.

In the event that damage to interior walls within a Co-owner's Unit, or to pipes, wire, conduits, ducts or other Common Elements therein, or to any fixtures, equipment and trim which are standard items within a Unit is covered by insurance held by the Association, then the reconstruction or repair shall be the responsibility of the Association in accordance with Section 5 of this Article V provided however that the portion of the expense incurred but not recovered by virtue of any insurance deductible shall be the Co-owner's obligation. If any other interior portion of a Unit is covered by insurance held by the Association for the benefit of the Co-owner, the Co-owner shall be entitled to receive the proceeds of insurance relative thereto and if there is a mortgage endorsement, the proceeds shall be payable to the Co-owner and the mortgagee jointly. In the event damage to a Co-owner's Unit is covered by insurance held by the Association for the benefit of the Co-owner, the Co-owner shall begin reconstruction or repair of the damage upon receipt of the insurance proceeds from the Association. In the event of substantial damage to or destruction of any Unit or any part of the Common Elements, the Association promptly shall so notify each institutional holder of a first mortgage lien on any of the Units in the Condominium.

Section 5. Association Responsibility for Repair. The Association shall be responsible for reconstruction, repair and maintenance of the Common Elements and specified non-Common Elements as provided in the Master Deed. This Article shall not be construed to require replacement of mature trees or vegetation with equivalent trees or vegetation.

Promptly after a casualty causing damage to property for which the Association has the responsibility of maintenance, repair or reconstruction, the Association shall obtain reliable and detailed estimates of the cost to place the damaged property in a condition as good as that existing before the damage. If the proceeds of insurance are not sufficient to defray the estimated costs of reconstruction or repair required to be performed by the Association, or if at any time during such reconstruction or repair, or upon completion of such reconstruction or repair, the funds for the payment of the costs thereof are insufficient, assessments shall be made against the Co-owners who are responsible for the costs of reconstruction or repair of the damaged property (as provided in the Master Deed) in sufficient amounts to provide funds to pay the estimated or actual costs of repair.

Section 6. Timely Reconstruction and Repair. The Association or Co-owner responsible for the reconstruction, repair and/or maintenance shall proceed with and complete reconstruction, repair, maintenance or replacement of the damaged property without delay.

Section 7. Eminent Domain. Section 133 of the Act and the following provisions shall control upon any taking by eminent domain.

(a) **Taking of Unit, Appurtenant Limited Common Privacy Area or Improvements Thereon.** In the event of any taking of all or any portion of a Unit, the Limited Common Element Privacy Area appurtenant thereto or any improvements located thereon by eminent domain, the award for such taking shall be paid to the Co-owner of such Unit and the mortgagee thereof, as their interests may appear. After acceptance of such award by the owner and his/her mortgagee, they shall be divested of all

10770 PG 846

interest in the Condominium. In the event that any condemnation award shall become payable to any Co-owner whose Unit is not wholly taken by eminent domain, then such award shall be paid by the condemning authority to the Co-owner and his/her mortgagee, as their interests may appear. If a Co-owner's entire Unit is taken by eminent domain, such Co-owner and their mortgagee shall, after acceptance of the condemnation award therefore, be divested of all interests in the Condominium.

(b) **Taking of Common Elements.** If there is any taking of any portion of the Condominium other than any Unit, the condemnation proceeds relative to such taking shall be paid to the Co-owners and their mortgagees in proportion to their respective interests in the Common Elements and the affirmative vote of more than fifty (50%) percent of all of the eligible Co-owners by percentage of value shall determine whether to rebuild, repair or replace the portion so taken or to take such other action as they deem appropriate.

(c) **Continuation of Condominium After Taking.** In the event the Condominium continues after taking by eminent domain, then the remaining portion of the Condominium shall be resurveyed and the Master Deed amended accordingly, and, if any Unit shall have been taken, then Paragraph 6 of the Master Deed shall also be amended to reflect such taking and to proportionately readjust the percentages of value of the remaining Co-owners based upon the continuing value of the Condominium of one hundred (100%) percent. A Condominium Unit partially taken shall receive a reallocated percentage of value based pro rata on the percentage taken. Such amendment may be effected by an officer of the Association duly authorized by the Board of Directors without the necessity of execution or specific approval thereof by any Co-owner, but only with the prior written notice to all holders of first mortgage liens on individual Units in the Condominium.

(d) **Notification of Mortgagees.** In the event any Unit in the Condominium, or any portion thereof, or the Common Elements or any portion thereof, is made the subject matter of any condemnation or eminent domain proceeding or is otherwise sought to be acquired by a condemning authority, the Association promptly shall so notify each institutional holder of a first mortgage lien on any of the Units in the Condominium.

Section 8. Mortgages Held by FHLMC; Other Institutional Holders. In the event any mortgage in the Condominium is held by the Federal Home Loan Mortgage Corporation ("FHLMC") then, upon request therefor by FHLMC, the Association shall give it written notice at such address as it may, from time to time, direct of any loss to or taking of the Common Elements of the Condominium if the loss or taking exceeds \$10,000.00 in amount or if damage to a Condominium Unit covered by a mortgage purchased in whole or in part by FHLMC exceeds \$10,000.00. The Association shall provide such other reasonable notice as may be required, from time to time, by other institutional holders of mortgages upon Units.

Section 9. Priority of Mortgagee Interests. Nothing contained in the Condominium Documents shall be construed to give a Condominium Unit owner, or any other party, priority over any rights of first mortgagees of Condominium Units pursuant to their mortgages in the case of a distribution to Condominium Unit owners of insurance proceeds or condemnation awards for losses to or a taking of Condominium Units and/or Common Elements.

RESTRICTIONS

All of the units in the Condominium shall be held, used and enjoyed subject to the following limitations and restrictions:

Section 1. Residential Use. No Unit in the Condominium shall be used for other than residential purposes and the Common Elements shall only be used for purposes consistent with those set forth in this Section. No Unit shall be used for any commercial, manufacturing, industrial or business purposes that create any nuisances or liability exposures, such as, but not limited to, customer/client/patient visits, noise, traffic or parking congestion, odors, vibrations or anything else that might detract from the peaceful and residential character of Lagoons West Bloomfield.

Section 2. Leasing and Rental.

(a) Violation of Condominium Documents by Tenants or Non-Co-owner Occupants. If the Association determines that the tenant or non-Co-owner occupant has failed to comply with the conditions of the Condominium Documents, the Association shall take the following action:

(1) The Association shall notify the Co-owner by certified mail advising of the alleged violation by the tenant or non-Co-owner occupant.

(2) The Co-owner shall have fifteen (15) days after receipt of such notice to investigate and correct the alleged breach by the tenant or non-Co-owner occupant or advise the Association that a violation has not occurred.

(3) If after fifteen (15) days the Association believes that the alleged breach is not cured or may be repeated, it may institute on its own behalf an action for eviction against the tenant or non-Co-owner occupant and simultaneously for money damages in the same action against the Co-owner and tenant or non-Co-owner occupant for breach of the conditions of the Condominium Documents. The relief set forth in this subsection may be by summary proceedings. The Association may hold both the tenant or non-Co-owner occupant and the Co-owner liable for any damages caused by the Co-owner or tenant or non-Co-owner occupant in connection with the Condominium Unit or the Condominium and for actual legal fees incurred by the Association in connection with legal proceedings hereunder.

(b) Arrearage in Condominium Assessments. When a Co-owner is in arrears to the Association for assessments, the Association may give written notice of the arrearage to a tenant occupying a Co-owner's Condominium Unit under a lease or rental agreement and the tenant, after receiving the notice, shall deduct from rental payments due the Co-owner the arrearage and future assessments as they fall due and pay them to the Association. The deductions shall not be a breach of the rental agreement or lease by the tenant. The form of lease used by any Co-owner shall explicitly contain the foregoing provisions. Pursuant to the Michigan Condominium Act, if the tenant, after being notified, fails or refuses to remit rent otherwise due the Co-owner to the Association of Co-owners, then the Association of Co-owners may do the following:

(1) issue a statutory notice to quit for nonpayment of rent to the tenant and shall have the right to enforce that notice by summary proceeding.

(2) initiate proceedings pursuant to MCL 559.212(4)(b).

LBR 0770 PG 848

(c) **Leasing Restrictions.** No Co-owner may lease their Unit for the same purposes set forth in Section 1 above provided the occupancy is only by the lessee(s) for a minimum term of not less than one (1) year. No rooms in a unit may be rented and no transient tenants accommodated. An exact copy of the proposed lease shall be provided to the Association ten (10) days prior to presenting it to the tenant for execution. Failure to timely provide the proposed lease shall be grounds for imposition of monetary fines as per Article XVII Section 1 (d).

Section 3. Alterations and Modifications of Units and Common Elements. No Co-owner shall make alterations in exterior appearance or make structural modifications to the Co-owner's Unit (including interior walls through or in which there exist easements for support or utilities) or make changes in any of the Common Elements, Limited or General, without the advance express written approval of the Board of Directors (which approval shall be in recordable form), including, but not by way of limitation, exterior painting or the erection of antennas, lights, aerials, awnings, doors, shutters, newspaper holders, mailboxes, basketball backboards or other exterior attachments or modifications, nor shall any Co-owner damage or make modifications or attachments to walls between Units which in any way impair sound conditioning. Over the air reception devices including but not limited to satellite dish antennas shall not be attached or installed upon any General Common Element chimney or roof; such devices shall not be attached or installed upon any other General Common Element without the advance written permission of the Board of Directors. It shall be permissible for Co-owners to cause to be installed television antennas in the attic areas above their Units; provided however, that any damage to the Common Elements or expense to the Association resulting from such installation shall be borne by the Co-owner performing or authorizing such installation. Over the air reception devices such as satellite dish antennas may be installed within Units or Limited Common Elements in accordance with the rules and regulations of the Federal Communications Commission. No attachment, appliance or other item may be installed which is designed to kill or repel insects or other animals by light or humanly audible sound unless approved by the Board of Directors in writing.

The foregoing is subject to the applicable provisions of the Michigan Condominium Act governing improvements or modifications if the purpose of the improvement or modification is to facilitate access to or movement within the Unit for persons with disabilities under the circumstances provided for in the Act at MCL 559.147 a, as amended from time to time.

The Co-owner shall be responsible for the maintenance and repair of any such modification or improvement. In the event that the Co-owner fails to maintain and/or repair said modification or improvement to the satisfaction of the Board of Directors, the Association may undertake to maintain and/or repair same and assess the Co-owner the costs thereof and collect same from the Co-owner in the same manner as provided for the collection of assessments in Article II hereof. The Co-owner shall indemnify and hold the Association harmless from and against any and all costs, damages, and liabilities incurred in regard to said modification and/or improvement.

No Co-owner shall in any way restrict access to any electrical, plumbing, water line, water line valves, water meter, sprinkler system valves, sump pumps, or any element which affects an Association responsibility in any way. Should access to any facilities of any sort be required, the Association may remove any coverings or attachments, including, but not limited to, patios of any nature that restrict such access and will have no responsibility for repairing or reinstalling any materials, (whether or not installation thereof has been approved hereunder), that are damaged in the course of gaining such access, nor shall the Association be responsible for monetary damages of any sort arising out of actions taken to gain necessary access.

Section 4. Activities. No unlawful or nuisance activity shall be carried on in any Unit or upon the Common Elements, Limited or General, nor shall anything be done which may be or become an annoyance or a nuisance to the Co-owners of the Condominium. No unreasonably noisy activity shall be carried on in or on the

Common Elements or in any Unit at any time. No Co-owner shall do or permit anything to be done or keep or permit to be kept in the Co-owner's Unit or on the Common Elements anything that will increase the rate of insurance on the Condominium without the written approval of the Board of Directors, and each Co-owner shall pay to the Association the increased cost of insurance premiums resulting from any such activity or the maintenance of any such condition even if approved. Activities which are deemed offensive and are expressly prohibited include, but are not limited to, the following: the use of firearms, air rifles, pellet guns, b-b guns, bows and arrows, or other similar dangerous weapons, projectiles or devices.

Section 5. Animals/Pets. No animals other than one (1) dog (which cannot exceed thirty-five (35) pounds in weight) or one (1) cat shall be kept or be brought on to the Condominium Premises by any person unless specifically approved in writing by the Board of Directors. No animal may be kept or bred for any commercial purpose. All animals shall have such care and restraint so as not to be obnoxious or offensive on account of noise, odor or unsanitary conditions. No animal may be permitted to run loose at any time upon the Common Elements and all animals shall at all times be leashed and attended by some responsible person while on the Common Elements, Limited or General. The Board of Directors may, in its discretion, designate certain portions of the General Common Elements of the Project wherein such animals may be walked and/or exercised. Nothing herein contained shall be construed to require the Board of Directors to so designate a portion of the General Common Elements for the walking and/or exercising of animals.

No savage or dangerous animal shall be kept and any Co-owner who causes any animal to be brought or kept upon the premises of the Condominium shall indemnify and hold the Association harmless for any loss, damage or liability (including costs and attorney fees) which the Association may sustain as a result of the presence of such animal on the premises, whether or not the Board of Directors has given its permission therefor, and the Association may assess and collect from the responsible Co-owner such losses and/or damages in the manner provided in Article II hereof.

Each Co-owner shall be responsible for collection and disposition of all fecal matter and watering down of all urine deposited by any pet maintained by such Co-owner. No animal which can be heard on any frequent or continuing basis shall be kept in any Unit or on the Common Elements. The Association may charge all Co-owners maintaining animals a reasonable additional assessment to be collected in the manner provided in Article II of these Bylaws in the event that the Board of Directors determines such assessment necessary to defray the maintenance cost to the Association of accommodating animals within the Condominium. The Association shall have the right to require that any pets be registered with it and may adopt such additional reasonable rules and regulations with respect to animals as it may deem proper.

The Association may also assess fines for such violation of the restrictions imposed by this Section or by any applicable rules and regulations of the Association. Small animals which are constantly caged such as small birds or fish shall not be subject to the foregoing restrictions.

Section 6. Aesthetics. The Common Elements, Limited or General shall not be used for storage of supplies, materials, personal property or trash or refuse of any kind, except as provided in duly adopted rules and regulations of the Association. No unsightly condition shall be maintained anywhere visible from another Unit or the Common Elements. Trash receptacles shall be maintained in areas designated therefore at all times and shall not be permitted to remain elsewhere on the Common Elements except for such short periods of time as may be necessary to permit periodic collection of trash. Co-owners shall be responsible to clean up any garbage or trash which escapes their trash receptacles for any reason including but not limited to animals opening receptacles or removing items therefrom. No lawn ornaments, sculptures or statues shall be placed or permitted to remain within any Common Element without the advance written permission of the Board of Directors. In general, no activity shall be carried on nor condition maintained by any Co-owner either in the Co-owner's Unit or upon the Common Elements, which is detrimental to the appearance of the Condominium.

Section 7. Utilization of Common Elements. Each driveway leading to an individual garage shall be limited in use to the Co-owner of the Unit it services. Sidewalks, yards, landscaped areas, driveways, roads, parking areas, and porches shall not be obstructed in any way nor shall they be used for purposes other than for which they are reasonably and obviously intended. No bicycles, vehicles, chairs, benches or other objects may be left unattended on or about the Common Elements. Use of all Common Elements may be limited to such times and in such manner as the Board of Directors shall determine by duly enacted Rules and Regulations.

Section 8. Vehicles. No mopeds, house-trailers, recreational vehicles, or similar vehicles, or evolutions thereof, such as club wagons, commercial vehicles, boat trailers, boats, camping vehicles, camping trailers, mobile homes, dune buggies, motor homes, all terrain vehicles, snowmobiles, snowmobile trailers or vehicles other than automobiles, mini-vans, sport utility vehicles and pickup trucks may be parked or operated upon the premises of the Condominium. Motorcycles shall not be operated within the Condominium but may be stored within a garage. The Association shall not be responsible for any damages, costs, or other liability arising from any failure to approve the parking of such vehicles or to designate an area therefore.

Commercial vehicles and trucks shall not be parked in or about the Condominium (except as above provided) unless while making deliveries or pick-ups in the normal course of business. For purposes of this Section, the term "commercial vehicle" means any vehicle that has any one of the following characteristics: (a) more than two axles; (b) gross vehicle weight rating in excess of 10,000 pounds; (c) visibly equipped with or carrying equipment or materials used in a business; or (d) carrying a sign advertising or identifying a business.

Each Co-owner shall park their vehicle(s) in the garage space provided therefore and shall park any additional vehicle which the Co-owner owns or leases in their driveway immediately adjoining the Co-owner's garage. Non-operational vehicles and vehicles without current, valid license plates shall not be parked or stored on the Condominium Premises without the written permission of the Board of Directors. Vehicles which detract from the appearance of the Condominium shall not be parked or stored on the Condominium Premises. Non-emergency maintenance or repair of motor vehicles shall not be permitted on the Condominium Premises unless specifically approved by the Board of Directors. The Board of Directors may require that all vehicles be registered with the Association.

The Association may cause vehicles parked or stored in violation of this Section or of any applicable rules and regulations of the Association to be removed (towed) from the Condominium Premises and the cost of such removal may be assessed to, and collected from, the Co-owner of the Unit responsible for the presence of the vehicle in the manner provided in Article II hereof. The Association shall have the right to place or cause to be placed adhesive windshield stickers on vehicles improperly parked. The Association, its directors, officers, agents, managers and attorneys may exercise such remedies without any liability to any party. Co-owners shall, if the Association shall require, register with the Association all vehicles maintained on the Condominium Premises. The Board of Directors may make reasonable rules and regulations governing the parking of vehicles in the Condominium consistent with the provisions hereof.

Section 9. Signs; Advertising. "Open House" signs are permitted provided that they may only be displayed for one day. No other signs shall be displayed which are visible from the exterior of a Unit or on the Common Elements at any time for any reason without the advance written permission of the Board of Directors. This prohibition includes, but is not limited to, "For Sale" signs, and political signs. The Board shall only permit "For Sale" signs that do not exceed 2 feet by 2 feet in size. No advertising devices shall be displayed which are visible from the exterior of a Unit or on the Common Elements at any time without the advance written permission of the Board of Directors.

Section 10. Regulations. Reasonable regulations consistent with the Act, the Master Deed and these Bylaws, concerning the use of the Condominium may be made and amended from time to time by the Board of

Directors of the Association. Copies of all such regulations and amendments thereto shall be furnished to all Co-owners and shall become effective thirty (30) days after mailing or delivery thereof to the designated voting representative of each Co-owner. Any such regulation or amendment may be revoked at any time by the affirmative vote of more than fifty (50%) percent of all eligible Co-owners.

Section 11. Right of Access of Association. The Association or its duly authorized agents shall have access to each Unit and any Limited Common Elements appurtenant thereto from time to time, during reasonable working hours, upon notice to the Co-owner thereof, as may be necessary for the maintenance, repair or replacement of any of the Common Elements. The Association or its agents shall also have access to each Unit and any Limited Common Elements appurtenant thereto at all times without notice as may be necessary to make emergency repairs to prevent damage to the Common Elements or to another Unit and/or to protect the safety and/or welfare of the inhabitants of the Condominium.

It shall be the responsibility of each Co-owner to provide the Association means of access to the Co-owner's Unit and any Limited Common Elements appurtenant thereto during all periods of absence and in the event of the failure of such Co-owner to provide means of access, the Association may gain access in such manner as may be reasonable under the circumstances and shall not be liable to such Co-owner for any necessary damage to the Co-owner's Unit and any Limited Common Elements appurtenant thereto caused thereby or for repair or replacement of any doors or windows damaged in gaining such access. In the event that it is necessary for the Association to gain access to a Unit to make repairs to prevent damage to the Common Elements or to another Unit or to protect the safety and welfare of the inhabitants of the Condominium, the costs, expenses, damages, and/or attorney fees incurred by the Association in such undertaking shall be assessed to the responsible Co-owner and collected in the same manner as provided in Article II of these Bylaws, including all damages resulting from any Co-owner or their tenants, family, occupants, invitees or contractor's failure or delay in providing access to the Association. The Association shall have no liability for damages to Co-owner alterations, betterments, improvements or customizations resulting from the Association's efforts to gain access to any common element nor shall the Association be held liable for the expenses of the removal or replacements of any such obstructions.

Section 12. Landscaping. No Co-owner shall perform any landscaping or plant any trees, shrubs or flowers or place any ornamental materials upon the Common Elements (including, but not limited to balconies, courtyards, decks and patios) unless approved by the Board of Directors in writing; provided however, that each Co-owner shall be permitted to landscape their Privacy Area at their own expense. The Co-owner shall be responsible for the maintenance of any such approved landscaping (including landscaping within Privacy Areas) performed by a Co-owner and any such trees, shrubs, or flowers planted by the Co-owner. In the event that such Co-owner fails to adequately maintain such landscaping performed by the Co-owner and any such trees, shrubs, or flowers planted by the Co-owner to the satisfaction of the Association, the Association shall have the right to perform such maintenance and assess and collect from the Co-owner the cost thereof in the manner provided in Article II hereof. The Co-owner shall also be liable for any damages to the Common Elements arising from the performance of such landscaping or the planting of such trees, shrubs, or flowers, or the continued maintenance thereof. Fences, hedges and walls shall not be constructed or placed on the common elements.

Section 13. Co-owner Maintenance. Each Co-owner shall maintain his/her Unit and any Limited Common Elements appurtenant thereto for which he/she has maintenance responsibility in a safe, clean and sanitary condition. Each Co-owner shall also use due care to avoid damaging any of the Common Elements including, but not limited to, the telephone, water, plumbing, electrical or other utility conduits and systems and any other elements in any Unit which are appurtenant to or which may affect any other Unit. Each Co-owner shall be responsible for damages or costs to the Association, or to other Co-owners, as the case may be, resulting from negligent damage to or misuse of any of the Common Elements by the Co-owner, or his/her family, guests, tenants, land contract purchasers, agents or invitees, unless such damages or costs are covered by

Book 0770 pg 852

insurance carried by the Association in which case there shall be no such responsibility (unless full reimbursement to the Association is excluded by virtue of a deductible provision, in which case the responsible Co-owner shall bear the expense to the extent of the deductible amount). Any costs or damages to the Association or to other Co-owners, as the case may be, may be assessed to and collected from the responsible Co-owner in the manner provided in Article II hereof. The Co-owners shall have the responsibility to report to the Board of Directors any Common Element which has been damaged or which is otherwise in need of maintenance, repair or replacement and any other circumstances which if not promptly reported and attended to, could result in loss or damage to any Common Element. All damages resulting from the failure of the Co-owner to report any of the foregoing items may be assessed to and collected from the responsible Co-owner in the manner provided in Article II hereof. Each Co-owner shall have these responsibilities and liabilities regardless of whether they occupy the Unit or the Unit is occupied by their tenant, guest, etc.

Section 14. Assessment of Costs of Enforcement. Any and all costs, damages, expenses and/or attorney fees incurred by the Association in enforcing any of the restrictions set forth in this Article VI and/or rules and regulations made by the Board of Directors of the Association under Article VI, Section 10 of these Bylaws, and any expenses incurred as a result of the conduct of less than all those entitled to occupy the Condominium Project, or by their licensees or invitees, may be assessed to and collected from the responsible Co-owner in the manner provided in Article II hereof.

Section 2. Eligibility to Vote. No Co-owner shall be entitled to vote at any meeting of the Association until he/she has presented a deed or other evidence of ownership of a Unit in the Condominium to the Association. Land contract vendees shall be recognized as owners unless the vendor provides the Association with a copy of the land contract expressly reserving voting privileges to the vendor. The vote of each Co-owner may be cast only by the individual representative designated by such Co-owner in the notice

(h) To make rules and regulations in accordance with Article VI, Section 10 of the Condominium Bylaws.

(i) To establish such committees as it deems necessary, convenient or desirable and to appoint persons thereto for the purpose of implementing the administration of the condominium and to delegate to such committees any functions or responsibilities which are not by law or the Condominium Documents required to be performed by the Board.

Each person so elected shall be a Director until a successor is elected at the next Annual Meeting of the Association.

Section 5. Recall; Automatic Resignation At any regular or special meeting of the Association duly called, any one or more of the Directors may be removed with or without cause by affirmative vote of at least fifty-one (51%) percent of the Co-owners eligible to vote and a successor may then and there be elected to fill any vacancy thus created. Any Director whose removal has been proposed by the Co-owners shall be given an opportunity to be heard at the meeting. If, at any meeting of the Board of Directors, there be less than a quorum present, the majority of those present may adjourn the meeting from time to time. At any such adjourned meeting, any business which might have been transacted at the meeting as originally called may be transacted without further notice. The joinder of a Director in the action of a meeting by signing and concurring in the minutes thereof, shall constitute the presence of such Director for purposes of determining a quorum.

Section 11. Fidelity Bonds/Employee Dishonesty Insurance. The Board of Directors shall require that all directors, officers, agents and employees of the Association handling or responsible for Association funds shall be covered by adequate fidelity bonds or employee dishonesty insurance coverage purchased by the Association. Section 12. Executive Sessions. The Board of Directors, in its discretion, may close a portion or all of any meeting of the Board of Directors to the members of the Association or may permit members of the Association to attend a portion or all of any meeting of the Board of Directors. Any member of the Association shall have the right to inspect, and make copies of, the minutes of the meetings of the Board of Directors; provided, however, that no member of the Association shall be entitled to review or copy any minutes which reference privileged communications between the Board of Directors and counsel for the Association, or any other matter to which a privilege against disclosure pertains under Michigan Statute, common law, the Michigan Rules of Evidence, or the Michigan Court Rules.

Section 1. Records. The Association shall keep detailed books of account showing all expenditures and receipts of administration, and which shall specify the maintenance and repair expenses of the Common Elements and any other expenses incurred by or on behalf of the Association and the Co-owners. Such accounts and all other non-privileged Association records shall be open for inspection by the Co-owners and their mortgagees during reasonable working hours. The Board of Directors shall prepare and distribute to each Co-owner at least once a year a financial statement, the contents of which shall be defined by the Board of Directors. The Board of Directors shall annually engage a qualified, independent certified public accountant to perform a compilation, review or audit of the books of account. Any institutional holder of a first mortgage lien on any Unit in the Condominium shall be entitled to receive a copy of such annual financial statement within ninety (90) days following the end of the Association's fiscal year upon request therefor. The cost of any such review or audit and any accounting expenses shall be expenses of administration.

Section 2. Fiscal Year. The fiscal year of the Association shall be the calendar year. The commencement date of the fiscal year shall be subject to change by the directors for accounting reasons or other good cause.

Section 3. Depositories. The funds of the Association shall be initially deposited in such credit unions, banks or with insured securities brokers or invested in federally insured securities as may be designated by the directors and shall be withdrawn only upon the check or order of such officers, employees or agents as are designated by resolution of the Board of Directors from time to time. The funds may be invested from time to time in accounts or deposit certificates of such banks or credit unions as are insured by an agency of the federal government and may also be invested in interest-bearing obligations of the United States Government or in such other depositories as may be adequately insured at the discretion of the Board of Directors.

ARTICLE XIII

INDEMNIFICATION OF OFFICERS AND DIRECTORS; DIRECTORS' AND OFFICERS' INSURANCE

Section 1. Indemnification of Directors and Officers. Every director and every officer of the Association shall be indemnified by the Association against all expenses and liabilities, including actual and reasonable counsel fees and amounts paid in settlement incurred by or imposed upon the director or officer in connection with any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative, or investigative and whether formal or informal, to which the director or officer may be a party or in which he/she may become involved by reason of his/her being or having been a director or officer of the Association, whether or not he/she is a director or officer at the time such expenses are incurred, except in such cases wherein the director or officer is adjudged guilty of willful or wanton misconduct or gross negligence in the performance of the director's or officer's duties, and except as otherwise prohibited by law; provided that, in the event of any claim for reimbursement or indemnification hereunder based upon a settlement by the director or officer seeking such reimbursement or indemnification, the indemnification herein shall apply only if the Board of Directors (with the director seeking reimbursement abstaining) approves such settlement and reimbursement as being in the best interest of the Association. The foregoing right of indemnification shall be in addition to and not exclusive of all other rights to which such director or officer may be entitled. At least ten

(10) days prior to payment of any indemnification which it has approved, the Board of Directors shall notify all Co-owners thereof.

Section 2. Directors and Officers Insurance. The Association shall provide liability insurance for every director and every officer of the Association for the same purposes provided above in Section 1 and in such amounts as may reasonably insure against potential liability arising out of the performance of their respective duties. With prior written consent of the Association, a director or an officer of the Association may waive any liability insurance for such director's or officer's personal benefit. No director or officer shall collect for the same expense or liability under Section 1 above and under this Section 2; however, to the extent that the liability insurance provided herein to a director or officer was not waived by such director or officer and is inadequate to pay any expenses or liabilities otherwise properly indemnifiable under the terms hereof, a director or officer shall be reimbursed or indemnified only for such excess amounts under Section 1 hereof.

ARTICLE XIV

A copy of each amendment to these Bylaws shall be furnished to every member of the Association after adoption; provided, however, that any amendment to these Bylaws that is adopted in accordance with this Article shall be binding upon all persons who have an interest in the Condominium irrespective of whether such persons actually receive a copy of the amendment.

Section 1. Relief Available. Any default by a Co-owner shall entitle the Association or another Co-owner or Co-owners to the following relief

(a) **Legal Action.** Failure to comply with any of the terms and provisions of the Condominium Documents or the Act, including any of the rules and regulations promulgated by the Board of Directors of the Association hereunder, shall be grounds for relief, which may include without intending to limit the same, an action to recover sums due for damages, injunctive relief, foreclosure of lien (if default in payment of assessment) or any combination thereof, and such relief may be sought by the Association or, if appropriate, by an aggrieved Co-owner or Co-owners.

The Association, if successful, shall also be entitled to recoup the costs and attorney's fees incurred in defending any claim, counterclaim or other matter from the Co-owner asserting the claim, counterclaim or other matter.

(c) **Removal and Abatement.** The violation of any of the provisions of the Condominium Documents, including the rules and regulations promulgated by the Board of Directors of the Association hereunder, shall also give the Association, or its duly authorized agents, the right, in addition to the rights set forth above, to enter upon the Common Elements, Limited or General, or into any Unit, where reasonably necessary, and summarily remove and abate, at the expense of the Co-owner in violation, any structure, thing or condition existing or maintained contrary to the provisions of the Condominium Documents; provided, however, that judicial proceedings shall be instituted before items of construction are altered or demolished pursuant to this subsection. (d) **Assessment of Fines.** The violation of any of the provisions of the Condominium Documents, including any of the rules and regulations promulgated by the Board of Directors of the Association hereunder, by any Co-owner, in addition to the rights set forth above, shall be grounds for assessment by the Association of a monetary fine for such violation.

(i) **Procedures.** Upon any violation being alleged by the Association, a written notice shall be sent to the offending Co-owner describing the facts constituting the alleged violation, the specific restriction alleged to have been violated and the notice shall set forth the date (no less than seven (7) days from the date of the notice), time and place for a hearing before the Board of Directors, at which the Co-owner shall have the right to appear before the Board and offer evidence in defense of the alleged violation. The Board shall issue a written notice of its determination within ten (10) days after the hearing and, upon finding that a violation has occurred, the Board of Directors may levy a fine in accordance with the following subsection.

All rights, remedies and privileges granted to the Association or any Co-owner or Co-owners pursuant to any terms, provisions, covenants or conditions of the aforesaid Condominium Documents shall be deemed to be cumulative and the exercise of any one or more shall not be deemed to constitute an election of remedies, nor shall it preclude the party thus exercising the same from exercising such other and additional rights, remedies or privileges as may be available to such party at law or in equity.
